SIR,

Jh Ly 34

With reference to your docket No. 1595 dated the 28th June 1904 requesting explanation for raising the -- balance against the Chief Plague Officer by Re.0-4-3, I have the honor to explain that on Comptroller pointing - out a mistake of Re. 0-4-3 in the Accounts for November 1899 the total of the expenditure was reduced by that a- mount; but the corresponding increase in the balance was left undone. This omission was supplied in March last at the instance of the Comptroller. Hence the difference noticed in the above.

I have the honor to be

Sir,

Your most obedient servant,

S. Vagavler
